Re: Change in Third Party Administrator for the Construction Industry Laborers Fringe Benefit Funds

Dear Participant:

After careful consideration, the Trustees of the Construction Industry Laborers Welfare Fund and Construction Industry Laborers Pension Fund have decided to hire Wilson-McShane Corporation as the Third Party Administrator replacing TIC International Corporation, effective July 1, 2018. Wilson-McShane Corporation has been in business for over 49 years and currently provides administration services to more than 100 benefit plans similar to yours.

It is our goal to make this transition as smooth as possible. However, due to the change in computer systems, some of the information you receive may be in a different format than before.

Utilizing Wilson-McShane Corporation will help us provide a new direction in the overall Third Party Administration for the Welfare Fund and Pension Fund.

In the coming weeks you will receive a letter and new ID cards from your PPO Network, BlueKC and your Pharmacy Benefit Manager, CastiaRx formerly LDI. Please begin using your new ID cards for any services you receive on and after July 1, 2018.

As of July 1, 2018, all written correspondence regarding the Welfare Fund and Pension Fund should be directed to the following Fund Office address:
