Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$400/individual or \$800/family (Limited to 2 individuals per family per year). <i>Certain <u>out-of-network</u> <u>claims</u> are treated as in-<u>network</u> <u>claims</u> as required by No Surprises Act.</i>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. Routine Physical, <u>Preventive Care</u> and <u>Prescription Drug</u> Benefits are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$3,000/ individual Certain <u>out-of-network</u> <u>claims</u> are treated as <u>in-network</u> <u>claims</u> as required by No Surprises Act.	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Deductibles, prescriptions</u> , charges in excess of <u>plan</u> maximums, <u>premiums</u> , <u>balance billing</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes*. See www.mybluekc.com or call (800) 810-BLUE for a list of <u>network providers</u> . * <u>Out-of-network providers</u> may be treated as <u>network providers</u> as required by No Surprises Act.	This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

To see examples of how this **plan** might cover costs for a sample medical situation, see the next section.

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
